Re: Bryan Fulton letter of reference

I am writing this letter of reference on behalf of Mr. Bryan Fulton. I met Bryan having booked his clown show for a very high end corporate event in conjunction with the Charleston Area Convention and Visitor's Bureau.

Bryan and another of his associates worked a huge trade show with the focus of the entire show being the greatest trade show on earth. By design, the theory is to attract more visitor's to the Charleston market.

Bryan and his staff are quite possibly some of the most professional clown jugglers and stilt walkers that we have had the pleasure of working with. From the booking process all the way to completion of the project, Bryan always made sure the client came first.

His unique skills are unsurpassed in this market and I would comfortably tell anyone who was considering his services to not look anywhere else for entertainment. Bryan is perfect for anyone's next event.

Please feel free to contact me for further details on my experience with Mr. Fulton. I may be reached at 843-709-5050.

Kind Regards,
