

Most people never live up to their potential and they allow fear and circumstance to rob them from being successful.

"Wake the F up" is a brilliant motivational seminar designed to unlock human potential and wake up the fire, focus and freedom allowing personal success in business and in life.

10-time Guinness world record holder Chad Netherland delivers an electrifying performance inspiring your audience and motivating your staff for years to come.

Witness this unforgettable motivational performance as Chad tears phone books, rips decks of cards, bends nails and proves nothing is impossible if you wake the F up.
